

**New Orleans Health Department
Proposed Regulations: Public Place/Right-of-Way Obstructions
Public Notice**

Public notice is hereby given that the New Orleans Health Department intends to adopt regulations relative to public place/right-of-way obstructions, including, but not limited to, regulations on notice, clearing and cleaning of the affected areas, storage of certain personal property of affected citizens, and monitoring of affected areas. The New Orleans Health Department will hold a public hearing to take public comment on these regulations on Tuesday, March 31, 2015 at 10:00 AM in the New Orleans City Council Chamber at City Hall, 1300 Perdido Street, First Floor, New Orleans, Louisiana 70112. It is anticipated that implementation of these regulations will have no appreciable fiscal impact. The proposed regulations are available for review at the Health Department's Office at City Hall, 1300 Perdido Street, Suite 8E18, New Orleans, Louisiana 70112 and are posted on the Health Department's website at www.nola.gov/health. For more information, please contact Charlotte Parent, Director of Health, at 504-658-2517.
